FINANCIAL DEPARTMENT

COMPTROLLER'S OFFICE, BANGALORE.

Circular dated 17th November 1947.

To

All Treasury Officers.

No. 467—B. II. It has been noticed that receipts on account of Excise Duties which are required to be booked under "W (b) Suspense Accounts—2 B. Account of Excise Duties leviable on All-India Pool Basis" in the District Treasury cash amounts are still being shown in the cash accounts under "IV A. Miscellaneous Taxes." As a consequence the same are being classified either under License Fees Penalties or Other Receipts. It has also been observed that the receipts under License Fees, Penalties and Other Receipts as per Audit Office Books are in excess of the figures actually booked by the Department (the difference some times amounting to lakhs). These large differences between the figures of this office and the Department are due to missclassification in the accounts of the Treasuries. The Treasury Officers are hereby instructed to examine the several schedules or receipts properly and to correctly classify these receipts in future in the Treasury accounts.
